California, An Outstanding State

California, nicknamed the Golden State, is suggested by the gold of its sunshine, the yellow sands of its deserts, and the oranges ripening in its orchards. When a tourist or resident talks of California, he invariably speaks of the highest mountains, the lowest valleys, the most beautiful waterfalls, and the world's oldest trees. With a mushrooming population and booming industrial growth, California has become world famous for research, food processing, medicines, electronics, missiles, and motion pictures. Division page pictures in the '59 TALON give vivid evidence of this rapid growth. The people of California have been working steadily to open these new frontiers, and now, on the threshold of the space age, they stand ready and able to maintain their reputation of an outstanding state in an outstanding land. Its potential is as dramatic as the difference between Death Valley and Mt. Whitney.

Pat

California An Outstanding School

In its short six years of existence, California High School has become known as an outstanding school in a wide variety of scholastic and athletic endeavors. Its students have gained an enviable record of scholarship and academic achievements. The band and drill teams have brought honor to the school by participating in Southern California's invitational festivals and contests. The athletic teams have a record of spectacular achievements at CalHi, with football teams, as an example, gaining their conference title twice in the past four years. Yes, CalHi has truly become an outstanding school in its short life span. It has earned its reputation because students, faculty, administrators and parents have been constant in their pursuit of excellence. That these standards be upheld is the pledge of California High School to the future, and, as in the case of our namesake, the state of California, the potential is unlimited.

Pat (Hangover) Carrol-
It has been a hassal having you in my room this year (Basic that is). I hope you have many more "parties" and good luck in the years to come.

DEDICATION

The students of California High School take great pleasure in dedicating the 1959 Yearbook to someone who has given unselfishly of his time, talents, and energies in helping CalHi to earn its fine reputation. Having been a teacher and coming in close contact with students has given him the knowledge, experience, and background for understanding young people and their problems. Students who have worked closely with him say he has the wonderful quality of making people want to do a good job. He helps them to think for themselves and to realize their potentialities.

Co-ordinating all activities around the CalHi campus, he provides for a smooth running organization which many people take for granted. As our friend, teacher, advisor, and as our Director of Student Activities, we dedicate the 1959 Talon to you . . . Mr. Warren Stevenson.

PRINCIPAL ARTHUR T. HOBSON

Dear Student Body:

"What's in a name: Would California High School by any other name be as good?" Perhaps! And yet it seems appropriate that a high school would take a great state's name and seek to copy its pattern of greatness. To be sure, the name "California" doesn't guarantee success, but the desire to maintain the reputation of such a fine name is an understandable and worthy goal.

In growth, in development, in creativity, and in performance, we have matched our states's pace, and it is with some pride that we review the 1958-59 school year with the accomplishments of a school appropriately named "California."

FACULTY SHOW AND OTHER ACTIVITIES

The original Firehouse Five+Three = Cool man! Cool!

Calhi's faculty continued to take an active part in campus life this year. Although they did not sponsor a faculty show this year, they still continued their sponsorship of scholarships for students aspiring to the teaching profession.

CalHi educators maintain lively discussions even during lunch hour.

STUDENT GOVERNMENT

Associated Student Body President Dan Avey

A. S. B.

Dear Student Body:

At the beginning of this year we found ourselves no longer a new school. When this happens a school has a tendency to let down and coast a little. It was extremely gratifying to find that this was not the case at CalHi. For this year, along with our student government and our outstanding athletic teams, CalHi really came to the front. I was happy also to see the increased participation in club activities on and around campus.

I'd like to express my deepest thanks to the Administration, Faculty, Cabinet, Congress and Judicial, but most of all to you, the Student Body of 1959, for making my year as Student Body President one I shall long remember.

Sincerely
Dan Avey
Student Body President

Dan relaxes after a strenuous cabinet meeting.

Dan looks forward to a well-earned summer vacation.

OFFICERS

The next important event was the equally successful Girls' League Dance. The other projects that took place were the Fashion Show in March, which showed new fashions for spring, the Miss CalHi contest, where out of 5 finalists, one was picked as Miss Calhi, and the Easter Basket contest, where girls decorated baskets for the Children's Hospital. Looking back now, the girls admit it was hard work, but it was well worth the experience.

YELL LEADERS

Steve Thompson | Sharron Trueblood | Susan Funk | Pat Whitcomb | Kent Hughes

Yell Leaders

These five snappy yell leaders have done much to create an atmosphere of enthusiasm and pep around CalHi. Led by Kent Hughes, the yell leaders have made the games, pep rallies, and assemblies really sparkle with life. Sharon's pep and personality, Susan's "come on you guys, YELL," Pat's "A-Yama-Yama," Steve position on the bicycle, and Kent's enthusiasm have led the students in cheering our teams on to victory.

MAJORETTES

Left to right: Sherry Norton, Shirley Sciacca, and Georgeina Jackson.

Majorettes

Adding much to our school spirit and pep this year were our five peppy majorettes. Using many different eye-catching routines for half time shows, the girls won the plaudits of the crowd at every event. Enthusiastic Shirley Sciacca led the group.

SONG LEADERS

Gerri Smedley | Merrily Vincent | Susan Mortrude | Marilyn Pivaroff | Valerie Givot | Patti Pippen

Song Leaders

"Cheer Condors Cheer for Our Team," echoed through all games this year as these six cute song leaders helped lead the school with pep and enthusiasm. These girls spent a great deal of time practicing and perfecting their routines. They participated not only in their duties as song leaders but performed also in parades and half time activities. Head song leader Gerri Smedley made sure everything was in order.

Flagsters

Daily practice during summer accounted for the fine performances of the flagsters. Through fog and smog the five pretty girls took part in all half time activities during football season. The flagsters, considered part of the CalHi Marching Band, were chosen by teachers and former CalHi twirlers last spring. They went to the SC Band Day, Arcadia, Whittier Santa Claus Parade, and Corona Band Jamboree this year.

CONDOR BLUES

Condor Blues

President Becky Greene led the Condor Blues through a very successful year. The 92 members competed at the Arcadia Invitational Band Review and the Corona Invitational Jamboree, where they placed fifth out of the top ten groups in Southern California. Adding much color and spirit to our entire school throughout the sports season, the Condor Blues are to be complimented for their many successes this year.

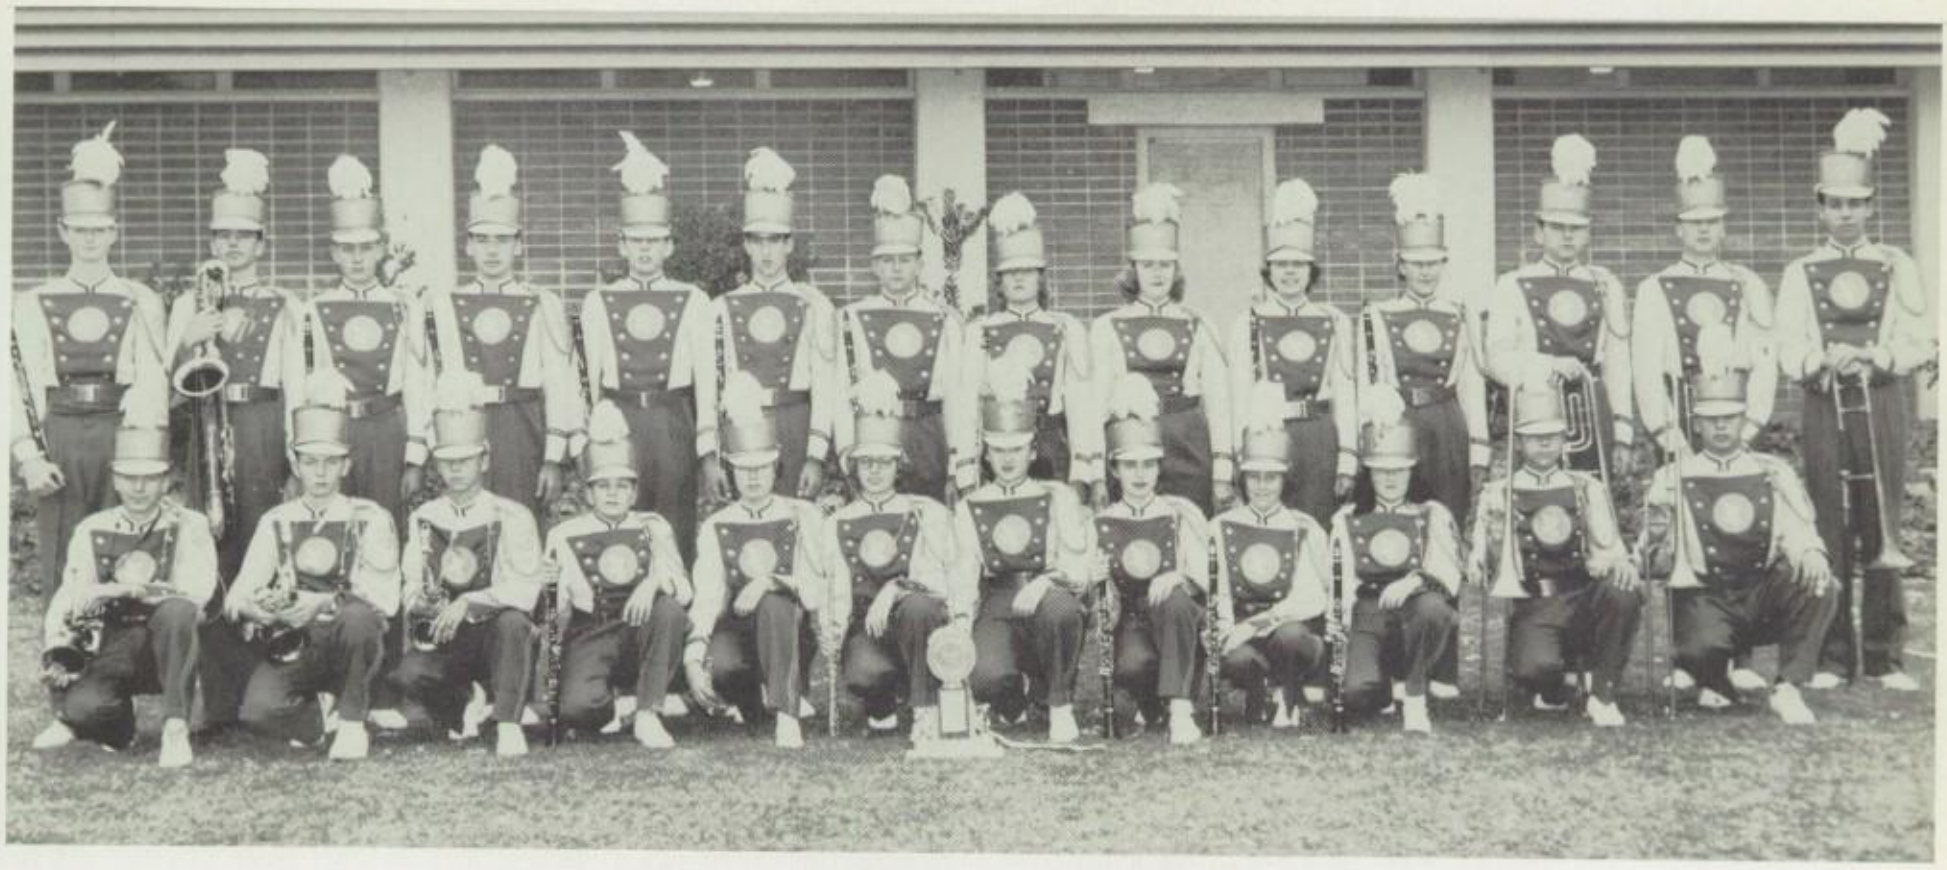
CALHI BAND



MR. CHARLES HECKEL
Band Director

This year the CalHi Band really showed their true colors when they marched at every football game and parade. They not only had spirit and pep, but worked as a team to produce one of the finest bands in CalHi's history. One of the many activities in which they participated was the Corona Invitational Band Tournament. To Mr. Heckel, director, and Ray Stewart, drum major, go a vote of thanks for doing such a fine job.

RAY STEWART

PEP BAND

CalHi's Pep Band numbers eleven and added that certain something to all pep rallies and assemblies.

DANCE BAND

The Dance Band provided very enjoyable music at a number of CalHi dances.

The Pep Band, Dance Band, and Orchestra provided many enjoyable hours of music for the students of CalHi. The Pep Band, which plays at all basketball games and rallies, recruits its volunteers from the Advanced Band. Also consisting of advanced players is the Dance Band. Under the supervision of Mr. Heckel, the Orchestra, pictured below, gave many hours each day working towards a high level of achievement.

Pat-
I wrote on this page
so you would think of your senior
year. I hope we will be
friends atleast until then.
I can't say it has been a pleasure
being in the same class, but I
hope I will see you at the
Church. Good luck and Best
wishes in the future to come.

Dear Senior Class:
In looking back over the many school activities since last fall, I cannot help but recall the friendly relationship we all shared because of the spirit and enthusiasm of the entire class. I would like to thank you for all of your cooperation, and in particular, thank the class officers, Senior Council and our advisor, Mrs. French. I hope this year has been a successful one for you individually and will be fondly remembered the rest of your life. To the Class of 1959 I offer my very best wishes for the future.

Sincerely,

Dear Junior Class:
As this year comes to a close, I am sure that you all remember the fun and happiness of this past year. The three main projects of the year, the Fall Play, the ordering of Senior Jackets, and the Junior-Senior Prom, have all been enormous successes. My thanks go most of all to Stephanie Stewart, Vice President; Bobbie Benner, Secretary, and the hard working Junior Council. As president I would like to thank you all for your cooperation. I have been very honored and proud to serve such a wonderful Junior Class.

SOPHOMORES

Frans Nelson
President

Mike Chase
Vice President

Dear Sophomore Class:

"Success is what you make it." I feel the success of the Sophomore Class was due to the cooperation and consideration of its members. Four important factors which helped to make this success possible were Vice President Mike Chase, Secretary Sue Benner, the Sophomore Council, and our advisor, Mr. Cline. Part of the year's fun was in choosing our class rings, and in planning the Freshman-Sophomore Dance. I feel I gained a great deal from working with the class, and feel its potential is unlimited.

Sincerely,

Frans Nelson

FRESHMEN

Jim Murphy

Pat Abbey
Vice President

Dear Freshman Class:
I would like to express my deep appreciation to you, the Freshman Class. I truly believe that we worked as a unit in view of the many accomplishments of our first year of high school. If it hadn't been for my fellow officers, the Freshman Council, and our advisor, Miss Boyd, we might not have done the job so well. I was proud to serve as Freshman Class President of 1959 and I humbly thank you from the bottom of my heart.

Jim Murphy

To the Varsity Football Team:

Thanks for a magnificent season. I know it will remain in my thoughts for some time to come. We had our ups and downs and some real tense moments, but I know the coaching staff is mighty proud of the way you played the game and I am sure the entire school and community are proud of you. We hope we can carry the spirit and desire over into the following years. Good luck to those of you who will not be with us next year and to those of you who are returning, let's strive to be champs once again.

S.G.V.L. CHAMPS

For more than fifty Varsity football players, September 8, 1958 may have been the most important day during the school year. That day marked the opening of football practice.

Calhi wasn't expected to have much of a team this year as the Blue and Gold was picked for the cellar in the San Gabriel Valley League race by most of the so-called experts. Any possible chance of Condor success lay in the hands of many players up from the Bee and Cee teams as the Condors had only seven returning Varsity lettermen.

Although a two touchdown underdog in its first two games, CalHi began fooling the experts from the start as they played to a 7-7 tie with Newport Harbor and then completely plastered arch rival Whittier, 39-0, the next week.

Perhaps a bit over confident after the Whittier win, the Condors scored in the first minute of play against El Monte and then were forced to come from behind in the last 60 seconds of the game to gain a 13-13 tie. The team hit its high spot after the El Monte game, as CalHi won its next five games and the league championship in the process. After a 13-7 win over Glendale, the Condors captured victories over El Rancho by a 14-0 taly, Bellflower 20-0, Excelsior 19-13 and Santa Fe by a 26-13 score. These four wins combined with two losses suffered by all other league schools gave the loop crown to CalHi the week before the end of the regular league play.

Looking ahead to meeting El Monte in the first round of the California Interscholastic Federation playoff, CalHi lost its first game of the year to Montebello by a score of 21-7.

However, the Blue and Gold avenged the earlier tie with El Monte by upending the Lions in the CIF first round, 7-0. The win moved the Condors into the quarter finals, farther than any previous CalHi team had gone.

The clock finally struck midnight for the CalHi Cinderella team as the Condors were defeated by Colton in the quarter finals, 27-6. However, Cal ended the year with a 7 win, 2 loss and 2 tie record, the best in the school's history.

This year's Freshman - Sophomore Dance, "Shamrock Shindig," was a big success! The couples, attired in dressy sport, were seen taking advantage of the delicious refreshments which consisted of punch and cookies. The Kent Glenn Quintet from Mt. Sac provided enjoyable music for the dancing couples.

JUNIOR - SENIOR PROM

On May 23, in the CalHi Gym, soft lights, beautiful decorations, and the danceable music of Keith Williams helped to make the Junior-Senior Prom a wonderful dance for everyone. The Prom is traditionally sponsored by the Junior Class for Juniors and Seniors and their guests.

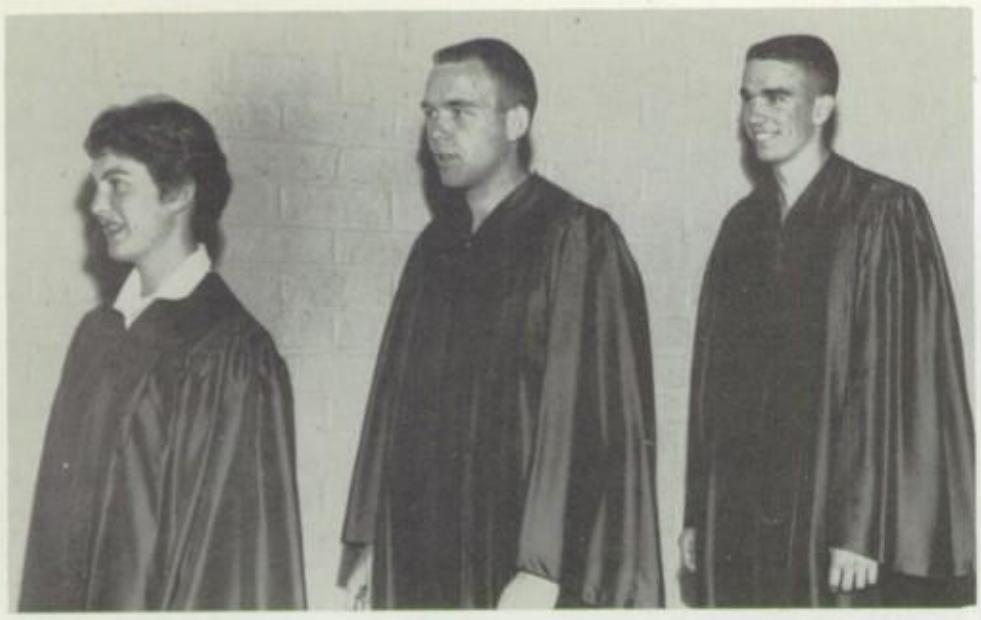
SENIOR AWARDS

Pat:
Best of luck to a
girl with a great personality
and the squeakiest voice I have
ever heard. Even so it has been
a pleasure knowing you this past year
and I wish you all the luck in the World!
Bill Ewing



A warm Spring afternoon was the setting this year for the one special day when the Seniors honored their mothers by escorting them to the Senior Mothers' Tea. The tea, sponsored by the Senior Class Council, was one of the social highlights of the year.

SENIOR MOTHERS' TEA

Enjoying the Senior Mothers' Tea are Ron Ranson, Mrs. Mildred Ranson, Karen Panagos, and Mrs. Elsie Panagos.

Graduation

On the eve of graduation ceremonies each member of the Class of 59 recalls the past 4 years in a different way.

Freshmen days were new and different with little knowledge of what the future would hold. As Sophomores and Juniors, they were carefree and gay, thinking only occasionally of the future. But their last year, as Seniors, has truly been the best. Now as they graduate, they see that the world is before them—that their high school days are over.

May their future be filled with success and happiness.

SERVICE MEDALISTS

Service Medalists are students who have received medals for their service to the school in a wide variety of activities. These include monitoring, Hi-Jinx, the Biggest Little Show, decorating for dances, and many others.
One point is issued for each hour of work. Three hundred points earn one medal and each additional two hundred points earns a chevron.

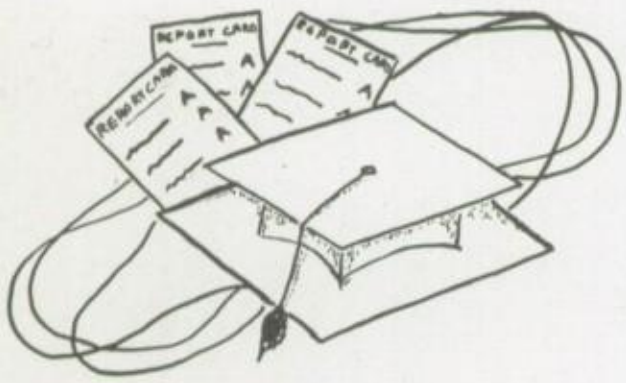
TEACHERS' CLUB SCHOLARSHIP



It has become a custom at CalHi for the Teachers' Club to donate scholarships to deserving students who have the desire to join the teaching profession. The faculty raises money for this purpose by sponsoring faculty shows and from contributions from teachers. Last year, Sonny Hayes was chosen for a scholarship.

Whose headaches? Not mine! Editing the Annual has been a wonderful experience. This was largely due to such a competent staff.

Judy Bleak—associate editor—has been a loyal assistant and has done an outstanding job. Without her efforts, this book might never have been published.

Fulfilling an extremely difficult job was **Nancy Foster**—sports editor. The entire sports section, excluding the copy, was in her hands. Thanks for a job well done, Nancy!

Taking responsibilities and following through on all plans, made **Judy Mollenhauer**—activities editor—one of the most valuable members of the staff. Many thanks, Judy.

Kathy McGuire—art editor—did a wonderful job on the cover and worked hard to make the layouts creative and imaginative.

Irene Kazmar—copy editor, along with her staff, successfully met all copy deadlines; and to **Carol Senke**—business manager and her staff a big vote of thanks for scheduling all ad pictures and for keeping us financially solvent.

To **Mr. Kreyche,** our faithful advisor, we owe a special debt of gratitude, for without his advice and cooperation the annual would not have become a reality.

To the publisher—**Yearbooks, Inc.,** to **S. K. Smith**—producers of the cover, to **Watson Studios,** for the many fine photographs—thank you for your contribution in making this annual a success. No editor can do his job successfully without the help of the staff. To all the staff members go my sincerest thanks for all of your efforts and hard work in making the '59 TALON such a success.

Sincerely,

Jody Brice

Pat —

It's really been fun watching you get "adjusted" to California and all that jazz! Just don't get outstanding in an outstanding language school — and away from your psychoanalist for a day! Hope you get back soon. I'm sure there — maybe we'll write when you're not so busy saving mine. Daugherty

Pat -
Basic Course has really been fun this year, but couldn't you tone down some of your opinions so you could present them in speakable noises. I am sitting in front of you and then I get blasted out of my seat. Eek! "But Mr. Strassini, ability in front of you couldn't be — Just tone yourself down that much!"
